“ Dear Chris, Lynn and Leslie,
Lori Heinel sent me the notice of your mother's passing. I can't tell you how very sorry I am. While we did not see your family very often, I do remember your mother's kindness and her sweet smile and I know she will be missed by all her family and friends. My parents both thought the world of her.

“ Dear Girls,

Some of my fondest memories in jr. high and high school are the nights spent at the Haddad house on 119th. You always felt better about yourself after one of those visits. Praying for God's peace and comfort for you and your families at this time.
