

## Frank D. David

July 19, 1941 - September 9, 2020

Frank D. David, 79, of Toledo, passed away peacefully at home on Sept. 9, 2020 with his family by his side after a long struggle with Parkinson's Disease. Frank was born on July 19, 1941, to Rose and James David. He graduated from Toledo CCHS in 1959 and The University of Toledo where he played football. He was a leading salesman at Mutual of New York (MONY) for 45 years and handed out MONY pens to everyone he met. He greeted everyone with a friendly smile and was known for his strong handshake. Frank could fix most broken items with his roll of duct tape and would love to split a beer with you. :) He was a devout Catholic and served as an usher in church. Frank was a loyal fan and season-ticket holder for UT Rocket football and basketball. He regularly attended Downtown Coaches Association meetings and was a member of the Varsity T Club. Go Rockets! Frank cherished his time with his family the most. He loved Spring Breaks and mini vacations in Ponce Inlet, Florida. While sitting on the beach surrounded by family and friends, he often said, "This is what it's all about."

Frank celebrated 55 years of marriage in July with his loving and devoted wife, Kathi. He will be dearly missed by his children, Kevin (Karen), Tommy (Candy), Jimmy (Kristi), Maureen (Mike) Czerniakowski, and in-laws, Tom & Jeannie McGuire. "Papa Frank" will be missed by his grandchildren: Katie, Megan (Anders), Jeremy, Steven, Melissa, Alex, Lauren, Ally, Annie, Sydney, Isaac, Sean, Keegan, Jeffrey (Laura), Ryan, & Adam. He loved attending all of

their sporting events. Frank was preceded in death by his sister, Mary Lou Espen.

“ Rest In Peace, Mr. David. I always loved getting your green pens and I still have a few to this day! You were an awesome cheerleader to all of us “DeVeaux Kids” growing up in the 1970s, and your enthusiastic spirit will never be forgotten. I always appreciated when you mailed me a newspaper clip and a little note of congratulations, for having a great game at the plate, opening a small business, or becoming a father. God Bless!!! 🙏🙏🙏❤️❤️❤️

*The light of one amazing man has been dimmed but not in our hearts. We have known Frank since high school and knew that life would bring many good things his way. His genuine respect for everyone he ever knew or met was a gift to all who walked his path. Loved his laugh, his generosity and especially his love and loyalty of family. We will miss Frank but will never forget him.*

“ *Kathi and Family,*  
*I'm so sorry to hear of Frank's passing. When I read his obituary this morning it made me reflect back in my life when I first met Frank. My Aunt Jeanne worked with Frank many many years at MONY. Frank could do no wrong in my Aunt's eyes and she adorned the ground he walked on! I believe he had the same feelings about Aunt Jeanne, as he would call her to me. They both loved what they did and they worked great together! When Frank opened his office on Sylvania Ave. and Aunt Jeanne went to work for him she was so happy to be there working with the "best insurance man in the business" as she would say. I know that you are a friend for life with Frank, and when I saw Frank around town he always made you feel really special ! And don't forget that handshake NO NO !! To this day I shake hands like Frank because of Frank, as does my son! Also Frank helped guild me through my life with his great knowledge of the life insurance business and set me and my family up very secure for our life. I am forever thankful to him. May God bless you and rest in peace my friend. Our thoughts and prayers are with you.*

*I have only known Frank and his family for about the last 5 years. I met Kathi and Frank at the Stonehenge pool. He would make me laugh when he would blow off Maureen and her workout. We fondly referred to her as the "General". I wish I would have known you, Frank, when you were well and you will be greatly missed.*

“*Frank sold me my first MONY policy around 1964. I am the other Frank David from CCHS. I first met Frank at a track meeting when the coach had Frank David in several events, only to find out there were two of us. In sympathy Frank David CCHS 1960.*

“*Kathi and Family,*

*A great full life which earned Frank unconditional love and support till the end. You all are a credit to the word family. Frank, always with a positive attitude, very loyal, a quiet competitiveness, and as genuine as a person can be. Frank liked to help people and make people in his life better. This certainly was true for the Insurance business and as far back as his College days when he encouraged every one to learn the New Word of the day. As a result, many of us benefited*

*Frank has truly earned the following tribute, "Well done, good and faithful servant--Enter into the Joy of thy Lord".*

*You all are in our thoughts and prayers.*

“ Frank was a great friend. Always a smile. We played many games of racketball at the club on Alexis rd. It was called Supreme courts at one time. He helped my son in the insurance business to become very successful. Always a shock to see someone pass that you've had such great memories. My sincere condolences to his family.
