“ *Kathy and Lorraine, I'm so sorry. I didn't know till I received an e-mail yesterday that he had died. I never had a chance to really get to know him. I would have loved to hear him play the steel guitar. I wish I had the words that would help at this time. Over the years the smallest of things will remind you of him. You'll have a smile and a cherished memory. Our thoughts and prayers are with you all. Sincerely, Bonnie Warns*
