“ Please accept our heartfelt condolences and forgive our absence. Mom isn't able to get out right now nor am I [Suzy] indisposed with a cold I wouldn't want to pass on. We still use the swimming ladder Dad and Fred built for the front dock, remembering them with every swim. Mom and I speak of Marian weekly, it seems. She misses her old friend, but at 90 this year, will likely be renewing their friendship, as well as reuniting with her beloved, in the great beyond in the not too distant future. Please extend our heartfelt wishes to all; Sharon, Deborah, Richard, John and families. Mom wants to send a card via post, so RSVP what address. E me for Mom's unlisted phone number if you'd like to say hello or just catch up with any of us. ieshea@frontier.com Warmest regards, Suzy Rice www.tarajories.com Suzy [for the Gregor clan]

“ Please accept my deepest sympathies for your loss. There is a void that cannot be replace. The life insurance we buy is really preparation for death. But the life insurance Jehovah God offers is the destroying of death itself and all the things we can think of that causes it. He will do this through His Kingdom that His Son Jesus Christ is King of. We can gain comfort now through the Bible. And in the very near future we will hold our love ones again. We all will live happy healthy lives forever in exquisite delight and in an abundance of peace here on earth.
