“ I only learned today of Mrs. O's passing: I was telling my mother about the old St. Ursula tennis team picture I had posted on my Facebook page, the team with our coach, Mrs. O, and my mom told me of her recent passing. My condolences to her family, with many fond memories of my high school tennis coach....

“ Fran holds a special place in my heart now as she has over the years: first as my teacher, then as my colleague, and most importantly as my friend. She had a strength of character and a positive attitude toward life that inspired all who knew her. My condolences and love to Sodhoh, Tom, and Dennis. Joan Hill

“ Fran Overberg was my PE teacher at Mary Manse College. PE was not my favorite or best subject, but she made it fun and I loved her for it. My sincere condolences to her children and the family. May the memory of your happy times with her be a consolation to you always.

“ Tom, "Berger", many memories of our childhood. Playing pool in your basement on Birchall. Fran greeting myself and "Orlow". That light blue LTD ? picking me up on Watson with you and your Mom and heading to CCHS. Great memories and a GREAT Mom. My prayers and thoughts are with you today and always. “ I was a new teacher at St. Ursula when I met your mother. She was full of fun with a ready wit and smile. She was kind to "the new kid" and treated me with the same respect she gave the veteran teachers. We've had many physical education teachers since your mother retired, but none to match your mother.

“ Dear Overberg family, From my brief acquaintance with her here at Swan Creek Retirement Village, the images of your mother that remain foremost for me are of her smile, her sociability, and her distinguished bearing. It seemed that she made friends easily here and was very much held in affection by that circle of friends. I regret that I won't be able to be there on Saturday morning to honor her life and learn more about it from your remembrances. I pray that in her dying she was comfortable and that her spirit was peaceful. May you all be aware of God's strength, peace, and joy in this time of good-bye. Rev. Bill Barnard Chaplain, SCRIV

“ I am a 1975 graduate from St. Ursula Academy. I had Mrs. "O" for my PE Teacher. It is because of her that I was inspired to become a PE Teacher. It has been a very rewarding career for the past 29 years. I remember Mrs. O was a real inovator in women's sports for that time. I was sad to read the obituary in THE Blade and wanted to extend my deepest sympathy to her family.

“ Fran was also one of the dearly loved "golden girls" who graced Toledo restaurants with their weekly Saturday dinners. She and her fabulous lady friends could be found in joyful laughter as they shared family stories, news and memories together. We all benefited from the way they created a kind and loving atmosphere around town. I'm so grateful to have been welcomed in many of those fun times by Fran, my mother and all of these great woman.
