“ Dear Jackson Family, I would like to express my Condolences to your family. I never met Mr. Jackson or any of the family that I know of, and yet the enemy that has over reached your family is no stranger. The Bible calls death an enemy. None of us can out run it or fight it off. However the Bible teaches "As the last enemy, death is to be brought to nothing" (1Cor. 15:26) that is good news. May the true God Draw your family to him.

“ From all of us at Maumee Bay Dialysis, we send our condolences to Gary's family. Gary would always go the McDonald's and get the coffee and breakfasts for the patients while Barbara did her dialysis here. He was the nicest guy - we miss him a lot.

“ Dear Family, We are sorry we cannot be with you today to celebrate the life of your father, Gary. When we heard the news that he had gone on to join Barbara, of course our hearts were heavy. But, we also know how much he loved your mother and how much he has missed her. He is happy now and his life is complete. We will miss him as we have missed Barb. But our comfort is knowing they are both with our Heavenly Father. God Bless you all and know you are in our prayers. Richard and Linda

“ My heartfelt condolences to the entire Jackson family. I worked with Gary at Schindler-Haughton Elevator in the 1980's, and will always remember him as extremely kind and considerate, and one of the most down-to-earth gentlemen I have ever met. It was always enjoyable talking to him. He was just so easy to get along with, and everyone liked him. His family is lucky to have had him for so long. A devoted and loving husband, father and grandfather. A wonderful man. And just one of the nicest co-workers anyone could ask for. My prayers are with all of you at this difficult time.
