“ Gary and I were friends for over 60 years. Playing Football, Softball, and bowling together. In all that time, one incident was the funniest thing I had ever seen. Gary missed a spare while bowling, and smacked the bowling balls on the rack. Right away some guy yelled; “Hey Asshole! That’s my ball!” Gary took immediate offense, and was ready to fight the guy! I jumped between them, and asked Gary why he was so upset! He looked at me and said loud and clear; “ Ernie, you know me! And you know I’m an asshole, but this guy doesn’t know me, so he was just guessing! And that pisses me off!” I couldn’t contain myself, and began laughing, and so did the other guy! Then, suddenly, Gary started laughing too! I never forgot that moment. Gary was so serious!
