“ I too knew Gene from CNR. I will remember her for her kindness, the smile that was always on her face, her sense of humor, her tenacious strength and optimism after her accident and the help she was to others who experienced similar adversities. She was a model for us all. Gene, rest in peace and say hi to the Babe and the Mick.

“ jean was one of thegals that formed our day student group at the College of New Rochelle ..i will always remember her as having a lot of spunk...very outgoing, never letting the cards she was dealt impede her functioning as a fully engaged human being.....what a wonderful person...what a wonderful legacy...my wish is for comfort and strength for her family and for her to be a lesson to those as to how to act with grace in the face of adversity.

“ Dear family of Gene, Gene was elected to be our CNR '66 Class Chairperson who wrote and posted our news and contact information, keeping us close together and organizing our reunions in the 90's. She came to the reunions and in-spired us with her courage and determination. I wish you much comfort in your memories of her generous and loving spirit. She is surely in the hearts of so many of us in the Class of '66. With many prayers for our dearest Gene and her family, Mary Anne Walldorf

“ I met Gene in 1962 when both of us entered the College of New Rochelle. I was from New Hampshire and part of a family with were ardent Red Sox fans so from our first encounter Gene and I always sparred about baseball. She was a day student at CNR and so her home was always open to her friends who lived on campus. Both her mother and father always welcomed us and we spent hours playing cards and teasing her younger brother, Billy. Wonderful memories of her courage after her horrific accident and she always had a positive attitude to everything. Have not seen Gene in several years since she did not attend our 45th reunion last June. I will remember her as a dear friend who was always there. She never forgot a birthday or anniversary and I will never forget Gene. She was welcomed into heaven by our dear Lord and will be with Him forever.

“ Euegne and family... my deepest sympathies to you all during this difficult time. I met Gene when she would come shopping at Kroger wit her mom and dad. Even after her mom's passing, I would still see her and her dad. I enjoyed seeing her in the store and stopping to talk to her, even if was just to say hello. She always had a smile on her face and a kind word for everyone she talked to. RIP Gene.

She completed a beautiful cross stitch pictures for me that I have hanging in my room. I know she is now in heaven with God and watching over us as one of his beautiful angels.....

“ To the Family, To the Family, If a man die, shall he live again? â€ asked the man Job long ago. (Job 14:14) Perhaps you, too, have wondered about this. How would you feel if you knew that a reunion with your loved ones was possible right here on earth under the best of conditions? Well, the Bible makes the promise: â€œYour dead ones will live. .Â .Â . They will rise up.â€ And the Bible also says: â€œThe righteous themselves will possess the earth, and they will reside forever upon it.â€â€”Isaiah 26:19; Psalm 37: Our Heavenly Father also promises us that the day is soon to come in which he is going to wipe away the tears of sorrow from our eyes forever and death will be no more. (Revelation 21:3-5) May the God of all Comfort comfort you.
