George Leon Hendricks, also known as June and Junebug, passed away peacefully at home Wednesday, October 29, 2021, surrounded by his wife, Jenny and loving family members. He was born February 5, 1956 to George and Mary Hendricks.

June accepted Christ at an early age, born and raised in the Church of the Living God, pastored by his grandmother, Elder Doretha Warren VanLeer, until her passing in October 1986. June played drums from the age of five until his passing, with many bands, in and out of town, winning contests in a few.

June later met and married his wife, Jennifer, and together they raised a blended family as one.

Preceding him in death are his parents, loving daughter Chelsey Lynn; sisters, Gwendolyn and Dorothy Faye Hendricks; brothers, Gervis Beach, Marvin Gibson and Bishop Tryphosa Hill.

June is survived by his wife, Jennifer Rodriguez; daughters, Samantha Hendricks (Steve), Mariah (Albert) Rodriguez and Brittany (Yumz) Rodriguez; son, Aaron (Christine) Demecs, Marcus (Beverly) Bevier, Samuel (Marysa) Rodriguez, Charles (Kayla) Bevier, and Edmund (Lisa) Rodriguez; and 26 grandchildren who loved him madly. He is also survived by sisters, Damaris

(Hubert) Heard, Bettye Randle of Florida, Karen (Daryl) Glover of California, Marsh (Doug) McCollum, and Gwen Beach; sister-in-law, Janice Dunbar Hill; brothers, John (Shawn) Hendricks, Fred (Lolita) Hendricks of California and Curtis Gibson of Cincinnati, OH; special cousin, Dorothy Thomas; aunts, Betty Carter and Pastor Drucilla White of Delaware; uncle Pastor Donald T. Warren (Mikey) of Cleveland, OH as well as a host of nieces, nephews and friends he counted as family.

The family would like to express a special thank you for all the love and support to Donna Hendricks who cared for him with love, his brother, John Hendricks who fixed his meals and made sure he arrived at Cleveland Clinic for all of his treatments, along with June's brother-in-law, Doug McCollum, and June's best friend, Bunny Hannon.

“ *I always knew you as George. I remember the first time we met was after my father passed. I told you you would be the owner of your house you lived in & we made it so. You & I became good friends. I just found out you had passed. I even called you on your birthday to wish you a happy birthday not knowing you had passed. My deepest condolences to the family. I know he loved all of you. May his memory be a blessing. RIP my friend. You fought a brave battle. You will be missed by me.*

“ Where to begin would take a thousand pages if not more, just to share my experiences with June, Ronnie, Gary as well myself there are a lot of good times that we all shared as we joked around at rehearsals, setups, and tear downs of equipment. All the fun we had at the "Bluebird" and other venues we played performed at. I'm really going to miss you June and all the good times you were so scared to be in my van going down the expressway at 55 you actually thought the van would flip over going around a curve and then when we got to your house we talked about it and we laughed so hard. All the times Jenny and Donna put up with our music when Ronnie and I came over. I'm really going to miss you bro..... rest in heaven and at peace. I'll meet you on the next one

“ Hahaha, We had a thing. My main guitar repair bench was in the back area of Guitar Center where we put used drum kits we took in. So G.C.'s deal was only selling the actual drums- period - nothing more -including the rest of the kit..No hardware.stands ,thrones ,Hi-Hats,pedals etc..So they had to just dispose of the rest of a kit. `Cept the gear usually didn't make it to the landfill ,not after "The Code" was sent off. ...No harm no foul they way I figured and if anybody deserved it - it was June .His kit got to be tight and lookin good ! ...But now , I might be mistaken..... .See ya in the next world buddy.

“ *George, I will always remember all of the times we've had. Good times! But the best time's I spent with you was in deep conversation about our Lord & savior. You were truly one of a kind!*

My heart & deepest sympathy & condolences go out to your wife, Jennifer & family. You truly made an impression on those that you met. You are now, in that place of no more suffering. You will always be remembered. When I think of you, I will smile..
