“ Thoughts and prayers for the family.
George will be missed by many. He always greeted us when we came in. Whether with my wife, son or our whole family. My son and I were there often over many years and we're always greeted ahhh father and son. Many many stories over the years.
George was always kind and charitable man. Often feeding those who couldn't pay.
Your missed my friend.

“ Did not know George but am a fan of Ideals. I camp out there whenever I come to Toledo from Maine. I have my morning coffee from one of your cups.
I wish the family the best in these difficult times. He seems to have been a man who made a positive difference.

“ I can't tell you the first time I met George because it was before I can remember. I remember going to Ideal hot dogs all the time with my grandparents and my aunt Debbie. I mean my whole life! Flash forward to when my grandparents passed and I had to take custody of Debbie, George told me that my money was no longer good in his restaurant because I took care of my grandparents and I was now taking care of my aunt who was severely mentally handicapped. Debbie and George had an amazing relationship! He always tease her and tell her and say no buckeye card cuz you're in Michigan! She love that! He took the time to realize that she was handicapped mentally and still connected with her. George I love you for just making my sweet Debra Jean feel amazing! I will miss you so much!

“ I must have had a thousand ham and cheese omelets and the most fantastic fried taters prepared by the master himself at Central (We called it Georges) in the 70's. R.I.P. George.

“ I have fond memories for George at Ideal. I remember 1 of my first visits at Ideal. I do beleave I was 6 or 7. I was blessed to be able to introduce my husband and our 3 girls to George. He was always so kind and happy to see us. One time when we went to Ideal it was my daughters 13th birthday. Once George found out her Chili mac was free. If my girls ever had a choice where to eat when we were in Toledo. It was always Ideal to see George. Or to see if he was there these last years. I am grateful I had all these years knowing him.

He was a great man. Praying for the family.
