“ Dear Ken & Family - Please accept my heartfelt sympathy and condolences for the passing of Gloria. I worked with her at Flower ER for many years and she was always a caring and compassionate nurse as well as a dear co-worker. She will be sadly missed by all who knew her. God rest her soul, she is free from the pain and suffering of her health problems over the years and is now at peace. God bless your family at this difficult time. Sheri

Know you are in my thoughts and prayers! PS: I found out too late re: her passing or I would have come to the FH. Luanne (Waller or Pflieger, you might know me by)

“ I found this one day and thought of you . Our prayers are with you COMFORT 2 Cor. 1:3-5 Surrounded by friends yet all alone the one I loved God has called home the hugs of friends helps ease the pain and I know my loss is my loved one's gain but tears now flow across my face as I long for just one more embrace then comfort comes and I see Christ's face He hugs my loved one and I feel God's grace.
