“ My deepest sympathy to Goldie's family. I worked with her for a brief time at Darlington House in the '70's and only remember a sweet, loving, always smiling, dear heart. Just saying her name makes me smile. You are so blessed to call her your own. You and she will be in my prayers.

“ My condolences to entire Miller Family. Mrs Miller was my next door neighbor for many years in Toledo when I was a child and young adult. I have found memories of visiting her out in the back yard during the warm months. She was indeed a compassionate RN, retiring from one position, only to go on to work at the Darlington House.

“ Marcia, We are never prepared for this time...I can not tell you the times I've thought of your mom. I have the best memories of times spent with her. She was like another mom to me. My mom loved her and I know they will have many special times together talking about their girls. We were blessed to have such caring, loving moms. You have been a wonderful caring daughter and have been there for everything that your mom ever needed. She had a wonderful life. Tom and I are thinking of you and the family with love and prayers and will see you soon.
