

Gracie Haeun Chung

June 5, 2009 - October 9, 2013

Our forever loved Gracie is now dancing with the angels. For the last seven months she fought a very brave fight against leukemia and lost her battle October 9th, 2013. Four years was not enough time for Gracie to share all her love in her heart. While her time was short she will be leaving her footprints on our souls. She especially loved her big sister Hannah and wanted to do everything Hannah did. Gracie loved going to school at Over the Rainbow and playing with her friends. Gracie's favorite things: her small blankie (that was once her big sisters), ring pops, tutu's, apple jacks, the color purple, Disney, dancing, magnets, riding on daddy's shoulders and mini vanilla cupcakes. People who knew Gracie, knew Gracie liked what Gracie liked and she was very specific. She always had to be different, if you said give me your hand, she would give you her foot. She will be remembered as the adventurous, fearless princess that she was. We miss you Gracie with all our hearts and you will never be forgotten. She is in no pain and at peace. No more pokey and no more tubies. "Wherever you are our love will find you," Daddy (Jay Chung) and Mommy (Jin Chung). "Who is the bravest little girl in the world?" YOU ARE GRACIE, YOU ARE!!!! Friends and Family are welcome to visit Gracie from 1:00 to 3:00pm Sunday at Ansberg-West Funeral Home 3000 Sylvania Avenue where funeral services will commence at 3:00pm.

“ It's hard to know just what to say, When one so young is taken away. Far too soon she had to part, Her memory forever engraved in our heart. We only knew her for a short while, But the life she led made us smile. She was so beautiful and oh so rare, Life as they say just isn't fair. Those gone before her will watch her with care, Till the day comes when we'll all join her there. Know Gracie is watching from heaven above, And with each ray of sunshine, she's sending her love. (Author Unknown). I send my prayers, thoughts, and love to you and your family. It was an absolute joy and honor caring for Gracie, "sweet heart".

“ Jay, Jin, and Hannah; my thoughts and prayers going to you and your family during the loss of precious Gracie. She will be missed by one and all. I miss her contagious smile, her fun loving personality. I loved that when she came outside on the playground everyday and the first she would do is say hi and want to give me a hug and then invite me to her birthday party even though it was several months away. Gracie, I enjoyed being one of your teachers, and I will miss you like crazy. Thanks for always having a smile on your face. Thank you Gracie for all your love and hugs.. Truly a precious Angel.. Love always Miss Jill
