“ This is especially to daughter Emily- I was a classmate of your Dad's in his early grade school days @ St. Adalbert's School. I had such a crush on him . . . he was so good looking, funny, and kind. In 1st grade, Greg would have fun teasing back and forth with Sr. Josephine (I believe that was her name) and our whole class would laugh. I'm sure he's watching out for you from heaven. Sincerely, Ann Marie Burdick (maiden name-Pakulski)

“ Mr. Woda, Becky and Dana, I was saddened to see the death of Greg in the paper. It has been many years since I've had contact with you but just the mention of Greg's name brought a Smile to my face. He sure had a lively spirit as a sixth grader!! And I can still hear his, "Oh, come on Miss Tansey....." , and then he would look at me with those eyes of his!:) So I'm sure at this difficult time for all of you, that many memories are being recalled and I hope they relieve the pain just a little. Please accept my condolences and be assured of my prayers and thoughts coming your way. God Bless you and Love! Kathy McCartney
