“ I would like to express my deepest sympathy to each of you. Although we are not acquainted with one another, we are acquainted with the pain when our loved ones fall asleep in death. Our Heavenly Father feels the pain that you are going through. When he created the first Man and Woman it was his purpose that they and their offspring (including us) live forever without the effects of sickness and death. His purpose has not changed for he promises that the day is soon to come in which he will wipe away the tears of sorrow from our eyes forever and death will be no more. (Revelation 21:3-5) He promises too that your loved ones. my loved ones and many others will hear his voice and come out of the memorial tombs (graves) to live forever on a paradise earth. (John 5:28,29)
