“ I now pass the old home that Granpa built you daily on the way to my own home a few blocks away. Your Daughter and Son-in-law take good care of your home. That green and white paint reminds me of all the fun that was had in that home. I think about you, Grandpa, and my father who passed in Feb. 1975. He is in my thoughts daily as well. You took so good care of me when I was over and entertained my many phone calls when I was away. They called me the Golden Child because I was the only boy out of four grandchildren to carry on the Sabo name. I could do no wrong lol. I love you and miss you, grandma.

“ Even though I was adopted by her son, Louis Harvey Sabo, Jr., she always treated me like her own family. I feel sad that there was only one entry on this site for her, because she was fun, intelligent, a great cook, fair, wise, and a loving person.

“ Loretta, Bill and Family, I am so sorry for your loss. I know how hard it is to say good-bye to a loved one. Just the other day, I mentioned to Robin that I wondered if your mom was still alive.....eerie, huh? I always liked your mom...she was a lot of fun. If there is anything I can do, please let me know. We no longer live on Bowen, but our phone number is the same as before. I will keep you all in my prayers. Love, Barb
