“ *Scotty, My heart is with you now as always. I'll be standing beside you in spirit. Words cant express what Helen meant to me. She was a great and happy part of my childhood. She was a beautiful woman inside and out. I admired her for being a strong independent woman, (I hope I am some reflection of that tenacity). She will be missed so much, but the memories will be with me forever. Peace be with you now. Love, Wendy*
