“ To All of you! I was just informed of the news and my heart is breaking! I loved Henry like my own Mom! Not only did I do her hair for many, many years, she was a dear friend and watched over my Erika like her own. I talked to her a while ago and knew she had cancer but thought things were getting better. I send my deepest sympathy and many loving thoughts and prayers to you all! Love ,  
Kris

“ Kristine, I am so sorry to hear of your mother's passing. We only knew her for a short time but she became part of our family during all those visits to Sylvania Care Center. My mother, Dawn, truly felt a kinship with "Henri" and missed her very much; but she also knows she was in pain and feels she is now resting peacefully. I will always think of her when I go to Target. She brought us all many smiles. My prayers are with you and your family. Sandi

“*“Henri” was my neighbor and friend since junior high school. We had many adventures together which will always remain in my memory and heart. One of the best was her wedding to Mike on a Friday which caused me to play “hookie” from work. At our last high school reunion, we had dinner, talked and talked and talked some more. I’m so glad I knew you. Rest In Peace my good friend. Love, Joyce*

“*John, I am so sorry to hear about your mom. We always had such a good time sitting at the baseball games. It was a special time for all of us. I am only sorry I didn't get to see her before she left Columbus. You are all in our thoughts and prayers.*
