“ Dear Rumschlag Family: I am so sorry to hear about the loss of your dear Father - Hank. My parents Clara and Harold ( Chile) Burkett shared many happy times with your mom and dad. In fact, your mom set up and introduced my mom and dad for their first date. And Mom introduced your dad to your mother. I'm sure they are all in heaven just having a great time. I can see them all laughing and sharing jokes. They certainly are our angels watching over all of us. I always enjoyed visiting your parents when I lived in Toledo. There were always so kind to our family. Deepest sympathy from the bottem of our hearts are extended not only my Chuck and myself but also my brothers - Larry, Ron and Ric and families. Your dad was a wonderful man and a great friend to our family and all the Huss's. He will be missed by all. May you all feel God's strength and his warm comfort in your days ahead. He will guide you along the way. God Bless all of you. All our love,.
