“ *To the familes of our dear aunt.. Auntie will sadly be missed, she was such a wonderful, congenial person who extended her love and help to those all around her, not forgetting about animals including birds, we have such fond memories of our family gatherings, especially in Florida, where she joined Barbara and myself with daily laughs.. We hope u find comfort in healing through this sad time, in the hopes that she is reunited with those predeceasing her.. Love, Karen, Brian and Barbara..
