“ Bob and Debbie, I wanted to express my deepest sympathy and condolences for the loss of your father. I always considered him a father figure, and was grateful for his kindness and compassion whenever I visited your home. After hearing that he passed away at Toledo Hospital on the 1st of August, I couldn't help but believe that he was in a room very close to my own mother as she too passed on August 4th. A sad time for all, but I have a sense of relief that they are no longer in pain, and that they are in a much better place. May God bless you and your family during this time of mourning. With Love Keith Munn

“ I didn't know J.D. personally, but know of him thru his father Donnie. I really liked Donnie whom I met after he married my great-aunt Audrey in KY. They both talked fondly of J.D.. I am sorry to hear of his passing.

“ J.D., was always a cheerful blessing whenever he delivered to our Receiving Dock at Montgomery Wards, back in the '80's. Always kind and thoughtful with a kind word and a smile. He and I shared a birthday, (9/14), and he always showed his faith, by his walk. He will be missed, but "we do not grieve as others, for we know he may be absent from the body but, present with the Lord. Sincerely, Stan W. Sterger
