“ Donna and family,
My thoughts and prayers are with you at this most difficult time.
What do you say about Jack ?? He was a fun loving guy who lived his life a day at time. He helped to coach the boys in baseball and we all have a lot of good memories. He was there many times for my son and for that I am thankful.Hope he is now pain free and spending time with Tony. God Bless you all.

“ *Donna G, thank you for your unwavering care of Jack, and your obvious love for him. Donna B and Aunt Janet, my heart goes out to all of you, know I'm thinking of all of you and hurt for your loss. Jack will be missed, but remember the good times. I can't make it to Toledo only because I can't drive at the moment, but know you will be on my mind and in my heart. Love you all.*
