“ To the Jack Zenz family, I was saddened to read in the Toledo Blade online that Jack had passed away. I recall him well from many good years at Peirce Construction. Jacks was an outstanding and dependable operator. I recall he always had a big smile on his face. It's been many years since I left the Toledo area, but I have good memories of Jack and his many friends at Local 18. God bless you all. Tom Peirce, Tavares, Florida

“ JC, My mother called this morning to let me know of your dad's passing. Both of us wish to extend our heartfelt condolences to you at the loss of your dad. He was a great person to be around and to know. He shared many expiences he had of WWII in the South Pacific with me in those early years, If it hadn't been for CB radios back in 11967 we probably would have never met. He had a very full life and I know he missed your mom greatly. May Our Lord Jesus Christ comfort you in this time of sorrow. HE is our hope and redemption.
