“ June Bug, I am so sorry for your loss. Your mother was so much fun and so full of life. I know it's been a long time and hope all is well. She is certainly in a better place and hope your father is in good health and that you can help him through this difficult time. Moe

“ June, It has been a very long time, but when I read about your mother's passing, it brought back a flood of wonderful memories. Your mother always welcomed all of us "kids" after school. Your house was the place to be. I am truly sorry for your loss. Would love to hear from you again. Chris
