“ Jim was my boss at Cub Foods Pharmacy and F&M Pharmacy back in the late 80s and early 90s. To say Jim, my coworkers and I had a lot of fun is an understatement. We all enjoyed working together, laughing, sharing our good times as well as the bad. Through it all, Jim put up with all of our craziness. I still think of these times often and it brings a smile to my face.

Jim was a great boss and a decent human being. We had many life debates. It helped shaped the person I have become. I also had the pleasure of getting to know Christine ("the Bean") during those years. .

Jim, you will be missed. Thank you for all your support, advice and the laughs. I know you will be telling your corny jokes in Heaven, too.

Sincerely,  
Kelly Weaver Wyatt
