“ Dear J.B., Sara, & Emily, I am so sorry for your loss for I know how heart-breaking it is when you lose a father. It's been many, many years since I've seen your dad, but back in the day, there were some fun times. So sorry for your loss. To Mary & Doris, you probably barely remember me, if at all, but I know this must be really tough on you for all the losses you've been through in the recent past. My thoughts & prayers are with you all.

“ *My thoughts are with you Doris and with the entire Gould family. Jimmy was a great high school buddy. He was a crafty "Risk" player and a fine companion for Chico. He also had the best collection of neckties of anyone at Central. Thank you Doris for the many school nights we spent at your house. I have great memories of that time with Jimmy.*
