His smile brightened a room, he was always there to help with any project, and his eternally positive attitude still seems to emanate from the picture you have posted. “ We were so sad to hear about Jim's passing. He was a remarkable man with such love for life and Jesus. Our family attended church with Jim in Bellevue for many years. He was always willing to serve and help with any church program from the men's shelter program to VBS. He loved to boldly share Jesus with anyone that would listen. Even after he moved, we kept in touch and I continued to pray for him each day. We are so sorry for your loss of a great man, yet thankful he is now in the presence of our Lord and Savior. May God give you comfort and peace. Praying for your family. With love,
