“ Jim was my roommate in college at UMD, and I just now found the obituary. One of the most important influences of my life, I thank God I knew him. Rest in peace, my beloved friend.

“ Dear Nancy, It was very sad to read Jim's death. I knew Jim back in the early 70's as we all attended UMD. Jim (Woodard as we all called him), Mike Gruber, and myself were roommates. At various apts around Duluth. Jim was always upbeat and always a great friend. It has been many years since our paths have crossed, fond memories of Jim are always with me. I wish you my sincere condolences Lynn

“ Dear Nancy and Family, It was with great sadness that I read of Jim's passing. Jim and I were roommates his first two years at UMD and were good friends. I believe I met you during the summer between Jim's Freshman and Sophomore year at UMD. He always struck me as a very special and gifted person and he is a person that I will never forget. He and I had some great times together and I have missed not seeing him for so many years. My thoughts and prayers go out to you and all of the members of your family. Most sincerely, Roger Leksen

“ Nancy and family, I am so sorry to read of the death of Jim. Please accept my heartfelt sympathies to you all. From the notice in the paper, I wondered if Nancy was caring for him in your home. I remember Jim from about his junior high years. As I recall, your Dad and Mom called him Jimmy. It sounds like Jim had an interesting, but maybe tough life, traveling all over. Nancy, my prayers of support are with you and your family. Your old friend, John Hallin
