“ My mother and Jan lived down the hall from each other at Spring Meadows. I was very shocked and saddened to see Jan's empty room tonight, and to hear of her sudden passing. She was always so sweet to us when we'd visit, and especially loved our 22 mo. old daughter, who'd "sometimes" let her hold her for a second. One time my husband was playing the piano in the dining room, and Janet came out of her room and parked right beside him - thoroughly loving the music. She was such an outgoing, kind person, and I will truly miss seeing her.
