“ Dear Nick, Cynthia and Lisa, I was so sorry to read in the Blade about Jason's death. I didn't know him well but I remember Tom working out with him to get in shape for football. I know that he was a very creative and artistic young man. We know all too well how devastating it is to lose a child. We are thinking of you and praying for you at this difficult time. Kris Shook

“ I read in the Blade this morning about Jason's death. I am somewhat shocked, though I know of the personal demons that he had to deal with. About a year ago I had to walk away from our friendship because I had enough at that point. I and others tried to get your son and your brother help. In a way I feel guilty now for doing that, but at the time I thought that to be the best decision for me. I know this is not going to be easy for any of you, I hope you know that Jason is in a better place now where he is free of his pain and suffering. He is now with his Aunts that passed a few years back, he's in great company!

“ Jason will be truly missed. We have lost way too many Maumee Panthers this year. I was with Jason in Select and Chior for 3 years and we shared many good times. My prayers are with the family.
