“ I grew up knowing the Thornburgh's -- went to school with Jeff. I had the pleasure of talking with Jay at my father's 80th birthday party three years ago. (My Dad, Phil Mazziotti, is now in a nursing home in Toledo.) My condolences to the family.

“ Dear Aunt Phyl and family, We were deeply saddened today as we learned of the passing of Uncle Jay. Our deepest sympathy and condolences to you and the family. It is indeed unfortunate that we will be unable to attend the services as we now live in Iowa City, IA and I am home recuperating from cancer surgery. Although we have not been in close contact over the past years I have always held Uncle Jay in the highest regard and all of my early memories of you and him are fond and vivid. We wish you the best and know you will remain strong through this. All of our best and please give my regards to the kids as well (we're not kids anymore!)
