“ To the Arnold family, Jean & I were friends since all of you boys were small. A total of 38 years. We missed a couple of years in there along the way, but for the last 15 of those years we talked almost daily. She was so much to me, big sister, (protector sometimes) mentor, my sounding board, (she let me vent) all the things a good friend would do. I'am trying to figure out what to do without her. You are all in my prayers.
