“ *Ron, your mom was an amazing lady. I will miss our genealogy calls, where we talked about all the relatives and their stories. Now she can be with those that have passed on, and enjoy more stories. I can hear the laughter rolling, at that reunion! Praying for God's grace to carry you and your family through this sad time. Jean will be missed.*

“ Grandma Jean,

We hope that your parents and the rest of your family were waiting at the gates to welcome you home. We are so glad that you were able to meet Madison. I know you always wanted a blood Great-Grandchild and I am soo thankful that we were able to give you that before you passed. I know that you will watch over Madison from above.
