Betty was my mother. She always did her best to raise me. I became a very successful due to her examples to work hard and do well in life.

I will always remember her as a loving mother. She always set the example to be a good and honest person.

I will never forget her! Wish she was still here to visit with. She was a true believer. I will see her again in heaven. I am now 77. And, I miss her so much as everyday goes bye!

Mom, I always loved you.
