“ *The stars are not wanted put out everyone, pack-up the moon and dismantle the sun, pour away the ocean and sweep up the woods; for nothing now can ever come to any good. Life goes on but it will never be the same. You have left a void that no one else could ever fill. You finally have attained total FREEDOM so " ROCK ON" JEFF!*

“ *"It doesn't matter if you can't dance, I'll make you look good." That's what Jeff told me the night he died. That guy can dance. Rough on the edges with a heart of gold. Peace Jeff*
