

## Jeffrey S Miller

September 9, 1962 - December 10, 2019

Jeffrey S Miller passed away December 10, 2019 after a long battle with heart disease. Born to Ronald K. Miller and Barbara (Miklosek) on September 9, 1962. Jeff graduated from Roy. C Start High School of Toledo and got a degree in the school of life. He married Jamie Dunlap on June 20, 1992 and that union produced two sons, Devon, 27, and Nikolas, 21, who were his world and with whom he shared a love of classic cars, estate sales, sarcastic humor, and of course the Pittsburgh Steelers. Even though the official marriage ended, he and Jamie remained family and continued to celebrate events and share life together.

Jeff was an accomplished painter and landscaper. He had an easy-going nature, was generous, kind-hearted and would do anything for anyone. He became known as “meatball” from the neighborhood kids. Jeff loved to be active and outdoors as much as possible. No matter the season or temperature, if the sun was out he was out. Jeff loved to travel and spend time with his family and friends as much as possible.

Greeting him in heaven are his father Ron and step-mother Jan, his brother Randy, and lifelong friend Patrick “Coop” Cooper. Left to cherish his memory are his mother Barbara, his sons Devon and Nik, Jamie, siblings Michael and Laura. Nieces Karly and Annalee, nephew Kyan, and his lifelong friends Bob Dan “Gab”, Tom, Dale, Dylan, Norm, Eddie, Frank, Kris, “Spence”, his “daughter Laurie”, and numerous other friends that he considered family and made memories for life with.

Funeral services will be held from 2:00pm until 7:00pm on Monday December 16, 2019 at Ansberg-West Funeral Home, 3000 W. Sylvania. There will be a prayer service to celebrate Jeff's life at 7:00pm. The family suggests that gifts in lieu of flowers be made to either Humane Ohio or the American Heart Association.

“ I'm deeply sorry for this loss. I enjoyed bagging groceries for this man. He brought me smiles when I was having a tough day. I'm going to miss running into him. He paid attention. Makes me sad he's gone but happy he's now in the heavens eternity. I kept asking myself where he was. Then realized from someone he passed away.i was shocked.

“ It was a privilege and an honor to know Jeff (as I would call him, Mr. Meatball). It was due to Jeff's extreme kindness and caring that that name stuck with him. When my grandson was three years old and very shy, he moved next door to Jeff. To break through a three year old's shyness, Jeff would start calling him food names when he would say hello to the little guy. First I think it was, "Hello Ketchup!" This made that little boy laugh. He finally started calling back, ""Hello, Mustard!" Giggling the whole time. Apparently, the food name calling got more intense and the name, Meatball stuck to Jeff. When speaking to Jeff about the name, he said, "Out of all the names, that one stuck! He enjoyed it and my 3 grandchildren. For that, I am and will be forever grateful. He enriched my life and my family's and he will be sorely missed.

*I found extreme comfort knowing my dad had a friend like Jeff. He naturally beamed with all of life's magic. From the times I was gifted with his presence I could feel he was a genuine, kind, good person. I trust his magic will continue to flourish through all those blessed enough to have received it.*
