“ I was just told today, January 18, about Jeff's passing. I am so sorry for your loss. Please know that all of you are in my thoughts and prayers. Some of my fondest childhood memories are with both of our families spending time together. With Jeff and I being just 1 week apart in age and the same grade in school, I have alot of wonderful and funny memories about him. Jeff was a very nice guy and will be deeply missed. I hope that you can have comfort and peace knowing that Jeff is now in God's loving arms. He is no longer sick or in pain. Ozzie always used to say to us when we had to part, "See you later." He would never say good-bye. See you later, Jeff. I know that you will be waiting for all your loved ones and friends; both old and new. And if there are record players in Heaven, I won't let our parents force you into listening to Donny Osmond with me! You were a great sport about it, though. Rest well, my friend.
Loving Care, "Monkey" Debbie
