“ More than 35 years ago, as a foreign student and a neighbor, I met Joan and her husband Bon and we started our lifetime friendship, and a friendship with my family. Joan and Bon (Joan herself after Bon passed away) visited me no matter where I have been, in cities of different Mid-West states and a far west state due to my school or job transitions. We shared good news of the families and ourselves. I have so much happy memories of not only friendship, but also profound caring and love. I will treasure all the great friendship, love and memories Joan gave to me. I miss Joan so much and she will stay in my heart. Bonnie, I am so sorry for Joan's passed away, all my thoughts are with you and your family. Beth Xie
