“ Dear Shelia, Jeff and families, I must certainly say the learning of your mother's passing brought sadness to my heart. However, the fond memory of her pleasant smile, infectious laughter and endless conversation brought a smile to my face. Going back as far as our grade school days your mother always treated me with love and kindness, as if I were someone special. I have certainly missed seeing your mom and dad at the Yum Yum the past few years. This is where your mother would talk, and your dad and I would mostly listen. And I loved every minute of it. I'm sure she will be missed by all who knew her. God Bless You All!
