“ *My sincere sympathy to all of you who were so very special to Joanne. We worked together on the Gedert genealogy many times, and I enjoyed her company. God's peace to each of you as you begin to live your lives without her physical present. Remember, though, that true love never dies, and she will be with you always.*

“ *Mrs. Cassidy was certainly one of the finest ladies of my parent's generation I ever had the pleasure to know. Many times Mr. and Mrs. Cassidy hosted us kids; for fun evenings along with proper guidance whether we knew it or not. I always have fond memories of Mrs. Cassidy and be thankful for having had the chance to know her. Sympathies to the family however I hope you can all rejoice in having had such a wonderful Mom and Grandma.*
