“ Dear Crawl Family,
I grew up with John. We were friends, neighbors, swam together, worked together, went to school together. I have many great memories of John-- we were two of the worst basketball players on the face of the earth, yet played many, many epic games of "Horse" and "Pig". In the Summers, we spent countless hours working together for Kneisley. I remember John's smile and his contagious laugh. He will be missed! Please accept my condolences. My family and I will keep John and you in our prayers.

“ Dear Crowl Family,
I am sorry to hear of John's passing. I was on the swim and water polo teams with John at St. Francis. I remember him well - and remember sharing lots of laughs with him - we did that a lot on the swim team because practices were so tough. I am very sorry for your loss. I will pray for John and all of you. May he rest in peace.
