“ The day that we found out Johnny had passed... I seen my mother cry for the first time in a long time. She has cried many times for me. We Hurt we cry but we remember a Great Father and an awesome man.  
and Yet she still crys because after I broke my back and am the walking miracle to this day and even with my encounter with cancer I am still here.. she cries because it could of been me.  
but in the end we are family .. we feel your pain.. and willl do our best to comfort, console and be a bigger part of the family.  
Johnny has an Angel just Like I do.  
We Love You.

“ I was shocked to hear of the passing of John. My sincere condolences to the family. In the days ahead, may Jesus, our God of comfort and peace, embrace you all with His loving arms. As Easter is here, take hope that the resurrection of our Lord and Savior made eternal life a reality. Again, I am so sorry for your loss.
