“ I would like to extend my sincere condolences to the Santus family. My deceased (122808) father (Mick) and I were customers of John for many years. We both have many fond memories of this kind and gentle man. John gave me my first haircut from a barber when he was at the Gulf station shop and continued until the shop adjacent to the bar closed. I still remember the 20 cent coupon (redeemable at Mels for candy) I received after each haircut. My father continued to see John for many years in his home. John always gave my Dad a discount because of his baldness. I always enjoyed talking to John especially when the conversation was racing. He was definitely a wonderful person and an excellent barber. I'm sure he will be missed by many.
