“ Donna, Family & Friends,

*I was very sad to hear of John's passing. I always enjoyed speaking with him when he would call in to book trips for him and Donna. I pray for peace, strength and comforting memories to help through the difficult days ahead.*

“ A great neighbor and friend. Our children played and grew up together, we laughed and shared great times together. The Valare family sends its most heartfelt thoughts and prayers to the family at this time. God bless you John.

“ John was a true friend. He was one of the smartest and most knowledgeable men I have ever known. We did not always agree on things, but John respected you and your opinion. He was one who would always speak his mind, no matter how "politically incorrect." I will miss you greatly my friend, but I know you are rejoicing in HIS presence.

“ John will be greatly missed by many, he was such a great person to be around. Years ago we went to Atlanta together to visit a light fixture company. We of course started out playing some poker, which was very strange, I won the first 12 games and everyone quit! John always kidded me about that. Playing cards years ago was so much fun, John loved playing cards but I think he loved being with the guys just as much. He was such a pleasure to know both calling on him when I was with All Phase or going out to lunch just for fun in later years, just a wonderful friend. You will all be in my prayers.
