

Joseph Bialecki

July 21, 1981 - November 13, 2011

Joe Bialecki was killed tragically in an auto accident on November 13, 2011. He was born July 21, 1981 in Toledo, OH and spent his youth in Piqua and Toledo, OH but returned home to Toledo in 1994 where he resided until his death. He attended Whitmer High School and was beginning his junior year at the University of Toledo School of Engineering. He had his own automotive repair business and called himself "The Car Guy" and was currently employed at Precision Steel. He helped many people who were low on cash to get their cars running again. If you broke down in the middle of the night he would get out of bed to repair your car. If you didn't have money he would barter with you, Joe was good about that! He thought it was good for his Karma. Joe was a loving and caring son and there wasn't anything he wouldn't do for his dad or his friends. He would give you the shirt off of his back. He worked hard and had many dreams. He will be missed very much by his father, Thomas (Kathy) Bialecki; mother, Ginny Kaiser; brother, Josh Bialecki; grandfather, Donald Bialecki; fiancée, Carrie Lynn; uncle, Jim (Deb) Bialecki; step-brother, Rick (Amy) Marvin; step-sister, Lisa (Mike) Hochradel; cousins, Heather (Dave) Durham; Brook (Scott) Lewandowski; beloved pets, Lily, Tyson and Holley and numerous friends and customers. He was preceded in death by his grandparents Jean Bialecki, Rex and Carletta Kaiser. Friends are invited to visit from 2-7 p.m. Thursday, in the Ansberg-West Funeral Home, 3000 Sylvania Avenue, where services will begin at 7 p.m. Pastor John Carver will officiate. In lieu of flowers, memorial contributions may be made the Bialecki

Family. Joe was not a taker, he was a giver. He gave back to the world and his passing is going to leave a void. Joe was very special. Joe is loved and will be missed very, very much.

“ I didn't know Joe "The Car Guy" personally, but my son and grandson did. And they have nothing but WONDERFUL things to say about Joe. My son, Dana Shoup, was terribly upset and sad when hearing about Joe's passing. He said that Joe was such a special person; that he would give you the shirt off his back. My son liked Joe so much that he was even going to move up into the same park where Joe lived because my son thought so much of Joe and wanted to be around him more. What I have heard about Joe is that he was a very special, giving person and will be sadly missed by many people. I wish I had gotten a chance to meet/know Joe.

“ I want to thank you all for the kind words to my son. And for those of you who showed up at the funeral and told me more about him than I ever knew meant a lot to me. He was more than a son, he was my best friend. And now I know he had many friends. I will miss him with all my heart. I will end this letter as I do all my letters to Joe. I love you son, Dad

“ Joe was a wonderful guy. I knew Joe because he was a student in two of my classes in the past year, and he was a very hard worker. I really admired his "never give up" spirit, and the jokes he would tell when he would come to my office for help. He was a extremely brilliant guy who would help anyone who needed it.

“ My dear friends - we so want to be with you and support you through this very difficult time. Parents are not supposed to outlive their children. Joe was a fighter and pulled himself through some very tough times with the help of his family and friends. I know how proud you were of the man he was and the way he was living his life. Please know you have been in our thoughts and prayers and consider this note a virtual hug that will have to suffice for now. Peace and Prayers, Ileen & Barry

“ To Joe's Family and Carrie Lynn: I had only met Joe once and I was so impressed with his overall genuine "sweetness." When I read about him it confirms to me what I felt about him - my first impression. He was somebody who was compassionate and a selfless doer - two things this world could use more of! My deepest sympathies to all of you for your loss!

“ Joe was our "Car Guy!" When we first met Joe we knew immediately that he was an extraordinary person. He seemed to have a heart for people and used his skills and intellect to help ordinary people. From our interactions with Joe you could tell that he was a very intelligent, hard-working, and fair-minded. Joe was just a good person! That means so much in this day &€“ to meet a young person with such unexpected and astonishing character. The world longs for more young men like Joe. Our hearts are sincerely dismayed at the loss of his presence here with us. He will be deeply missed! Our prayers are with his family and his fiancÃ©e, Carrie.
