

Joseph L. Jordan

July 30, 1964 - April 5, 2019

Joseph Louis (Joe) Jordan died early April 5, 2019 after enduring many serious health issues. He is preceded in death by his mother Rhonda, father Paul, step father Richard Redd, aunts Beverly and Ruth, and nephew Robert. Surviving are his spouse, Stas' Krukowski, brothers Michael (Ellie), Patrick (Judy), John (Julie) and sister Julie (Paul) Harrington as well as many nieces and nephews, and his beloved dogs, Ivan Inga, and Olga.

Joe was born July 30, 1964 and grew up in West Toledo, attending McKinley and then graduating from DeVilbiss High School. From the age of five, Joe held a paper route all through school. He excelled in his studies and loved playing football. His professional career took off with New York Carpet World. He opened the Chicago market with them in the early 80's and managed stores there and in Toledo until they closed in 1999. In 1995 he met Stas' and they married in 1996 in Key West. They lived in West Toledo and travelled and enjoyed the company of friends and family. One of Joe's best friends was Trotsky, the blind Rott-Lab who captured his heart in 1999. Joe wrote poetry and enjoyed walking his dogs and watching football. Though his back injury and following trials were difficult, he enjoyed opening an art gallery downtown with Stas' in 2013. Joe delighted in supporting the new artists on the local scene and making so many new friends.

Joe will be deeply missed by all of his family and friends. A celebration of his life is planned for Thursday June 27, 2019 starting at 6:00 at 20 North Gallery, 18 N. St. Clair, Toledo, 43604. Interment of his ashes will follow on June 28th

at Toledo Memorial Park. The family would like to thank Ansberg-West Funeral Directors for providing services.

“ Meeting Joe and Stas was a special time for me. We were aquanted, became friends and then family. Joe was very kind and I will miss him but am grateful that his pain is over. Sending much love to Stas at this very sad time.

“ i don't know where I first met Joe and Stas. I do know that we become good friends. I do know that Joe was filled with joy, wonder and love. I do know that Joe made my life better just because of how he lead by example.
I do know that Joe will be missed, and I am sorry for his loss. I am grateful that Joe's serious medical issues are no longer a cause for his pain.
I am grateful that for many years, Joe was a part of my life. Thanks for showing me how to live life, Joe.

“ We are so sorry and sad for Joe's passing. We had many really good times through the years. We enjoyed Joe's funny poem about his dog Trotsky's traveling pads (paws). Aquilina and Sabineh will always remember the great fun they had at Uncle Stas' ' and "Uncle" Joe's garage sale, their lemonade stand and the bonfire! We send heartfelt Christian sympathy and love to all of Joe's family and friends. Jesus Bless and keep you all.- peace-love joy- Joe's in Heaven now and at peace. Amen! mom and dad (stanley and susie)
