“ Joe you were always such a blast to be around, I can't think of one time with you, that you weren't making everyone laugh and have a great time being around you. Even though you were a "little" clumsy when you drank I will miss having you around with Erik and Leslie. You will be missed. Your kind heart and giving ways should not have been taken from this world, but I know that you are walking with God now, and your LIFE is what we all will remember. Goodbye Joe
