“ Sympathies from Ed Heintschel; I knew Joe through his business and his son Joe. From the business side, Joe was honest and did super work; from the father side, he must have done a great job as his son Joe is a terrific person!

“ Dear Miriam, Whenever I'm with our daughter (who lives in Sylvania) and we're driving down Centennial and we go by Pastorek's Body Shop, I always say, "I wonder if he's any relation to Miriam?". And when I saw his obituary, I felt bad...as I've yet to lose a sibling. You have our sympathy. He must've been a year older, right? And your mother is still alive? Aren't you fortunate to still have her! I hope she's in decent health. It must be hard to have a child die before you. Wish I were there to hug you. Love, Rosie
