“ Dear Penny, So very sad to hear of your Mom's passing. I was so sorry, I must have missed her obituary in the paper or most certainly would have been there for you and your family. Please know that I send my prayers and sincere sympathy to you, Jeff and family. Ethel Cousino

“ I'm not sure if I have the same "Jo" Queenan but would really like to offer my sympathies if she is the same person who lived on Pawnee Dr. I lived on Sandra and was a workout buddy with her at Curves and would stop and visit on my way to Trilby Pk if I am thinking of the same person. I loved her spunk and wonderful outlook on life. She gave me lots of wisdom in the yrs I knew her. I just wish I could be told if this is the same person. It breaks my heart to know she has passed. I hope she went in peace and didn't suffer. If you would be so kind to e-mail me back, it would be much appreciated. With no picture to see and no past history in her obituary, I will always wonder if this was in fact my neighbor and friend. Thank you
Sincerely, Sharon Szteiter

“ Denise, Tammy, Penny and Christine, words can't say how much your mother's passing means to me. She was mom's dearest, closest friend since they first met. I remember many a story from the times when your mom and dad got together with mine. Since my mom died, it had gotten very hard for your mom and I to see each other. We both missed her so much. But I will always remember your mom's smile, her love of life and how much she brightened my mother's life. God bless you all.

“ Denise, Tammy, Penny & Chrissy:

I am saddened to hear of Aunt Josephine's passing. I have nothing but the fondest memories of growing up with my cousins, Aunt Jo & Uncle Denny. There was never a dull moment with Jo and she always made us laugh. Best of all-she was a genuine and wonderful person.

I will miss her.

Donna and I wish all of you the best in this difficult time. Know that we have you in our thoughts and prayers. Love you all.

“ So sorry for your loss, your mother was a beautiful lady in and out. I was her neighbor on Pawnee, we shared many great evenings playing Bunko!! Great fun, but we also shared many girl heart to hearts with me on being a mom and other trial and tribulations of big girlsâ€¦truly a kind and sweet soul!
