

Joyce P. Connett

April 28, 1944 - September 24, 2022

Joyce passed away peacefully on September 24th, 2022, at Ebeid Hospice in Sylvania, Ohio. She was born in Toledo, to Shirley and Richard Scott on April 28th, 1944.

She graduated from DeVilbiss High School in 1962, and maintained many friendships from there. She worked at National Family Opinion for her whole professional life. She enjoyed reading, cooking, baking, soaking in the pool, watching football, and throwing the occasional party.

Joyce is preceded in death by her daughter, Jennifer Hanlin, and her second husband Michael Connett. She is survived by son, David Ziems; daughter, Victoria Mattoni (Matthew), and their collective children Nicholas, Erin, and Zoe. She has two great-grandchildren from her surviving grandson, Tim Hanlin, as well.

Joyce had a great zest for life. She loved celebrating holidays! She would start playing John Phillip Sousa albums at 0800 on the 4th of July. She would bake hundreds of thousands of cookies starting after Thanksgiving, concluding on Christmas. Those recipes live on through her kids. She loved Elvis Presley immensely. She was an exceptional Green Bay Packers fan. She travelled extensively throughout the midwest, camping at scores of parks, with lifelong friends, the Netters' and the Bass'. So many happy memories!

In lieu of flowers, please consider a donation to Paws and Whiskers cat shelter on Hillwyck Ave.

We want to thank Kingston Residence for their great care, and Ebeid Hospice for their support and education through this process.

“ I knew Joyce’s family when we were all kids. She and her brothers Larry and Dave were all friends with my family as was her mother Shirley. It was great seeing her when her son David and I started playing music together. Rest easy, Joyce...

“ I have so many memories of Joyce. Most of them at work (NFO). One of my favorite memories was when the Coding dept. had the suite at 5/3 Field for a Mud Hens game. She and Mike were there, we had lots of good food and fun. Somewhere I have a picture from that night. If I find it, I will share it. They were so happy. That's how I would like to remember her. Healthy, happy with a zest for life. I am so deeply sorry for your loss.

Sorry to hear about Joyce's passing. What a great sister in law. Great memories of all the family get togethers while raising our families together.

Some say; "Life is just a bunch of memories". If that's true, then Joyce has helped us all succeed in life!!

“ In 1969 the Bass family bought a home on Fairview Drive. It was a life changer. Joyce and her family lived across the street. The world changed!

Joyce was at our door with her kids, and we all hit it off, birthdays, camping, cookouts, Disneyland, we were truly a blended family, Joyce was the head Mama. I can honestly say I've never had a relationship like that again.

Joyce had a stern shell that harbored a heart of gold. Truly a special friend.

Thanks for those words, Rick. I can't imagine a better, more perfect childhood. I've been looking at family pictures all week. You guys were in all of them.

Joyce loved reading trashy romance novels, McDonald's French fries with extra salt, Perry Mason reruns and the Green Bay Packers (among other things). She was a great mom. I treasure the relationship I had with her, always and forever.
